popularity of my articles has extended to all parts of the United States, and widely throughout Foreign countries and this in the face of much opposition. Every means has been resorted to by unprincipled dealers since their merit and success have been know such as advertising larger bottles at less price, consuring all other preparations, and even copying my advertisements-but I am happy to state that out of the many who have recorted to this, none have been successful.

MY OBJECT in this notice is to make facts known to the publice and re spectable dealers, believing, after so many years' exertions,

Knowing that many may read this article who are unacquair ted with me, I append a few remarks from those of my native city, and whose names are known to all parts of the world : "Being personally acquainted with Mr. H.
